A View of Congregationalism: Its Principles and Doctrines ...  
Congregationalism, Christian movement that arose in England in the late 16th and 17th centuries. It occupies a theological position somewhere between Presbyterianism and the more radical Protestantism of the Baptists and Quakers. It emphasizes the right and responsibility of each properly organized

A view of Congregationalism its principles and doctrines ...  
Congregationalism is unique in its emphasis on the spiritual autonomy of each congregation. The congregation, however, is not thought of as any casual gathering of Christians but as a settled body, with a well-defined constitution and offices, that has ordered itself according to the New Testament's understanding of the nature of the church.

A View of Congregationalism: Its Principles & Doctrines ...

Answer: Congregationalism speaks of a form of church government. "Episcopal" church government is rule by bishops, "presbyterian" church government is rule by elders, and "congregational" church government is rule by the congregation. Episcopal government usually includes a hierarchy over the local church, and presbyterian government sometimes does as well.

What is a Congregational Church / Congregationalism ...

Congregationalist polity, or congregational polity, often known as congregationalism, is a system of ecclesiastical polity in which every local church congregation is independent, ecclesiastically sovereign, or "autonomous". Its first articulation in writing is the Cambridge Platform of 1648 in New England. Major Protestant Christian traditions that employ congregationalism include Quakerism, the Baptist churches, the Congregational Methodist Church, and Congregational churches known by the Cong

Congregationalist polity - Wikipedia

Congregationalism is the idea is that local congregations should govern themselves. They vote for their own Pastors. The affairs of the local church would be governed ultimately by the congregation. The church would be funded and subsidized by the tax dollars of that region.

Puritan Theology: Definition, Theological Views, & More

Congregational churches are Protestant churches in the Reformed tradition practising congregationalist church governance, in which each congregation independently and autonomously runs its own affairs. Congregationalism, as defined by the Pew Research Center, is estimated to represent 0.5 percent of the worldwide Protestant population; though their polity-related customs and other ideas influenced significant parts of Protestantism, as well as other Christian congregations. The report defines it
